RSVP by 10/30/09 to cjohnson@bskinc.com or call 559-994-2894.

Minutes of October 2009 Meeting

Approximately 40 members, guests, and affiliates attended the October Meeting that was hosted by Sierra View District Hospital. President John Babb, Vice President, Bruce Peterson, Sierra View District Hospital, and Secretary, Cathy Johnson, BSK Associates were present. There was a quorum of members present; however, there was no formal business to conduct.

Vice President, Bruce Peterson, presided over the meeting at the beautiful River Island Country Club. There was plenty of time networking. Self introductions were made; the food was awesome and it was a good turnout (again!). Thank you to everyone for attending and risking the wet weather. Thank you to the Sierra View District Hospital and the River Island Country Club. The service was excellent, the food was great, and the view was breath taking.

Bruce gave a presentation on the H1N1 Pandemic Flu Update including a history of pandemics, direct pointers for best protection and reducing exposure to the flu, an overview of the different types of flu vaccines and respirator/masks, and he distributed a Home Care Guide from the Tulare County Public Health Emergency Preparedness Program-if you would like copies, please let me know. In summary, WASH YOUR HANDS....WASH YOUR HANDS...WASH YOUR HANDS.

Also, October 29, 2009 is the Northern California Chapters' Seminar, "Staying Centered in Challenging Times." For more information, go to www.cshe.org

Future Chapter Meetings

December 8 – Duckworth Environmental Holiday Party. Yes it's that time.

Respectively submitted,
Cathy M. Johnson
