**Inland Chapter Meeting Notice
Tuesday, February 10, 2009
11:30 a.m.**

**St. Bernardine Medical Center
2101 N. Waterman Avenue
San Bernardino, CA 92404
(909) 475-5068
Engineering Conference Room**

Topic: Healthcare Engineering

This month our topic of discussion will be healthcare engineering, so please submit any specific topics or engineering challenges that you would like to bring to the table for discussion. Collectively, the Inland Chapter has expertise that can be beneficial to our colleagues.

We will discuss the 2009 educational schedule, potential speakers, dates, field trips, locations and hosting of events at this meeting. So, plan to attend with your ideas and suggestions for the coming year.
