Minutes of June 2009 Meeting

Approximately 40 members and guests attended the June meeting. Thank you to Darden Architects for hosting a grand outdoor BBQ luncheon and bringing Gordon Oakley, OSHPD Regional Compliance Officer to be our speaker. Chapter Board Members, President, John Babb, Kaweah Delta Healthcare, Vice President, Bruce Peterson, Sierra View District Hospital, and Secretary, Cathy Johnson, BSK Associates, were present; and a quorum of members was established.

President Babb asked for self-introductions all around and gave an overview report of the recent CSHE Institute held in May. Vice President Peterson also presented notice regarding an upcoming joint-Kings River and Central Valley Chapters Educational Seminar – date and location to be determined. And, thank you to Jack Hanks, Tremco, and Darden Architects for the coffee mug raffle items.

Speaker
