**RSVP Reminder: As a courtesy to our hosts, please RSVP by the deadline.**

**Minutes of August 2009 Meeting**

Approximately 40 members and guests attended the August Meeting. Thank you to Adventist Health—Richard Rose, Melody Garza, Angela Munoz, Clayton Negrete, Jim Bresse, Michael Machado, Raul Juarez, Steve Loewen, Tony Vallin, Jr., and Doug Lafferty for a very nice lunch and fabulous tour of the new hospital. Also, thank you to Richard Rose for giving a special opening blessing over the food and the event.

President, John Babb, Kaweah Delta Healthcare, Vice President, Bruce Peterson, Sierra View District Hospital, and Secretary Cathy Johnson, BSK Associates, were present, as were enough members for a quorum; however no official business was conducted. President Babb presided over the meeting; self introductions were made, and members were reminded about the upcoming September 11 Central Valley Golf Tournament. Don't miss out – sign up soon! Vice President, Bruce Peterson, reported on the attendance at the recent ASHE conference in Anaheim. According to Bruce, there were a lot of trade courses available, a lot of vendors, and a detailed presentation by Mr. George Mills from Joint Commission. Bruce also discussed the future joint chapter meeting in possibly the 1<sup>st</sup> quarter of 2010; we already have a commitment from Cameron Bruce to present on Joint Commission; we are seeking a location to hold approximately 100 people and sponsors for the lunch. If you are interested, please contact any of the board members.

The meeting was adjourned and interested participants went on a great tour of the new hospital. **(Photo Right:** part of my group at the tour: Rick Darnley, Harris Associates; George Christiansen, Christiansen Group; Clayton Negrete, Adventist Health).

Future Chapter Meetings

October 13 – Sierra View District Hospital

November 3 – Children's Hospital of Central California (note special date)

Respectfully submitted,  
 Cathy M. Johnson
