**Minutes of March 2010 Meeting**

March 9 was the Kings River / Central Valley Joint Chapter Educational Conference and there was no chapter business conducted. The Conference was attended by approximately 75 members and guests from throughout California, and was held at the UCSF Medical School and Auditorium.

Curt Douglas, California Hospital Association, spoke on Hospital Incident Command System Structure and Operations. Cameron Bruce, Cameron Bruce & Associates, spoke on Joint Commission 2010 Standards and Survey Processes.

Bruce Peterson, Sierra View District Hospital, Kings River Chapter Vice President, presided over the conference. Sponsorship for the event provided for facilities, lunch, and gifts for the speakers. Special thanks to all the sponsors: Platinum Sponsors: Christiansen Group (George Christiansen) and Community Medical Center (Stan Zulewski); Gold Sponsors: BSK Associates and Duckworth Environmental; Silver Sponsors: ControlCo, Darden Architects, Grainger, Kone Elevators, and Provost & Pritchard.

Respectfully submitted,

Cathy M. Johnson
