Fire/Life Safety Services – A Look at Best Practices

Maintaining healthy fire barriers in a healthcare facility is both mission-critical and required by codes and regulations. Prevent: Life Safety Service will discuss best practices and regulations related to inspecting and maintaining; fire and smoke dampers, firestopping, and fire doors. In addition, they will provide a brief overview of the new regulations and benefits of Photoluminescent Egress Systems.

Presented by: Dennis Cohen, President, Prevent Systems
Location: San Diego Hall of Champions
2131 Pan American Plaza (Balboa Park)
San Diego, CA 92101-1683
