

**California Society for Healthcare Engineering
San Diego Chapter
Dinner, Regional Meeting, and Presentation**

**Wednesday, February 16th, 2011
Dinner Meeting @ 6:00 pm**

The location will be at the Crown Plaza Hotel in hotel, 2270 Hotel Circle North, San Diego, CA 92108. Precept Environmental will be presenting the highlighted topic below.

How to Manage the Safety of Utility Water Systems in Healthcare Facilities

Bacteria and other waterborne pathogens are increasingly becoming areas of concern for healthcare utility water systems. Increased surveillance and analytical sampling have highlighted the risks associated with these system that have created increases in Hospital Acquired Infections (HAI's). This presentation will help understand some of these challenges, as well as provide useful management strategies to help your facility manage the safety of the water in your systems. Precept will also discuss the Proposed New ASHRAE Standard 188, and what it's acceptance may require your facility to implement.

Rsvp to Britt Rogers: brodgers@precept-environmental.com.

We are looking to increase facility engineer attendance so please invite an engineer or two to join us on the 16th.

CSHE is an organization of Healthcare Engineers dedicated to the continued education and development of our members.

Dinner and Meeting is at no cost to members and first time visitors

**FEEL WELCOME TO INVITE ANOTHER MEMBER OF YOUR HEALTHCARE FACILITY
PLEASE WEAR YOUR FACILITY NAME BADGE**
