Shawn Lantz, Cyndi Duran and Christy Daly-Pranzo of DPR will be your site hosts to this wonderful facility. **J&M Keystone**; Frank Tapia Jr., Richard Yokley, Angelina Collette, Alex Estrada and I will be the event hosts, dinner will be our famous **carne asada street tacos set up, along with our wine, beer and margarita bar.**

Frank Tapia Jr., J&M Keystone, will be the speaker and the topic will be **“The Cleaning and Care of HVAC systems in a Healthcare Environment”**

This is one of those fun off site events that is attractive to the engineers, please pass the word. This is a great way to meet, mingle, enjoy your surroundings and it's even educational.

I am asking that all vendors provide a gift or prize for a hospital engineers raffle for those engineers in attendance. I am further asking that we all invite actual hospital engineers to the meeting to win those gifts and prizes!

Please RSVP to me so that we can keep an accurate head count and have enough food and drink on hand.

**PLEASE REMEMBER WE HAVE A GOLF TOURNAMENT COMING UP IN OCTOBER, we need sponsors and players!!! Jerry Coult of MA Engineering is the committee chair.**

Thank you and have a safe and wonderful day,

Corky
